FACTS THAT WARRANT THE REVOCATION OF THE RESPONDENT'S REGISTRATION

 At all times relevant hereto, the Respondent was registered to practice as a Pharm Tech in Maryland. The Respondent was first registered on June 19, 2008.
 The Respondent's registration expired on September 30, 2009.

- At all times relevant hereto, the Respondent was a Pharm Tech at the
 Stop and Shop Supermarket Company in Clinton, Prince George's County, Maryland.
- 3. By a form dated August 25, 2009, Stop and Shop filed a complaint with the Board indicating that, on August 3, 2009, a loss of 100 Percocet was reported at that location. When checked, it was discovered that one prescription, which was purportedly from a dermatologist, was not written by that individual because she did not write for this type of pain medication. The other prescription proved not to be written by that physician either. It was further discovered that the prescriptions were for counts of 100 Percocet and Oxycontin, with no hard copies of the prescriptions.
- 4. The pharmacy staff was interviewed about the missing drugs and the Respondent admitted that she had removed a 100-count bottle of OxyContin from the safe and took it from the store at the end of her shift. The store's closed circuit TV captured the Respondent removing the bottle from the safe and it wasn't returned to the safe.
 - 5. The Prince George's County Police filed a report of the theft.
- 6. A DEA report was filed showing that the total loss was 2000 Schedule II narcotics valued at \$7395.
- 7. February 26, 2010, the Board summarily suspended the Respondent's registration.
- 8. As set forth above, the Respondent violated the Act and the regulations thereunder and her registration should be revoked.

CONCLUSIONS OF LAW

Based upon the aforegoing Facts, the Board concludes that the Respondent violated its Act and that the revocation is warranted, pursuant to § 12-6B-09 and § 10-226 (c) (1) of the APA.
